**A. KATHLEEN TOMLINSON, Magistrate Judge:**

In preparation for the scheduled Settlement Conference, the Court has reviewed the file in this case as well as the *ex parte* position statements submitted by counsel in the last few days. Based on the information provided by counsel, it is clear that the parties are not adequately prepared for such a conference, nor do their respective positions lend themselves to any prospect of a settlement. Consequently, the Court finds that a settlement conference would not be a productive use of the Court's time, nor the parties' time at this juncture and the settlement conference is **cancelled**.

If counsel and their clients wish to participate in the EDNY Court-annexed mediation program with the special panel of FLSA mediators, they should contact the Court when they are ready to do so
